OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 9 January 1963

1. [] The Director, accompanied by John S. Warner, met with Representative George H. Mahon for over an hour. See Memorandum for the Record for details.
2. [] Jim Hyde, Bureau of the Budget, telephoned to advise that within a week there will be sent out for coordination a draft bill relating to the establishment of a National Foreign Affairs Academy based generally on the Perkins report. Hyde stated his purpose in calling was to alert us since there will be a rather tight deadline for submission of comments once the bill is sent out. Matt Baird and Mr. Kirkpatrick have been advised.
3. [] Tom Scott, Senate Appropriations Committee staff, called to say Senator Hayden had received the Director's communication suggesting a hearing with the CIA Subcommittee of Senate Appropriations at an early date. The Senator indicated that as in the past, the Subcommittee would meet with the Agency []
4. [] George Murphy, Joint Committee on Atomic Energy staff, called and said the present Chairman, Representative Hollifield and the Chairman for the 88th Congress (presumably Senator Pastore) had asked the Committee staff to contact the Agency with a view to setting up a briefing some time between the 15th and 17th of January. I advised Murphy the Director was already committed on the 17th, that he was not available on the morning of the 16th, but I would check on the possibilities of the 15th and the afternoon of the 16th and let him know. I discussed this with Mr. Knoche who will take the matter up with the Director.
